UDHS 24th ANNUAL FLORIDA REUNION LUNCH
Wednesday February 21, 2018

Punta Gorda was a small fishing town on Charlotte Harbor and has a lot of attractions and good restaurants. Fisherman's Village is an old fishing pier with food and small stores, right on the water. Nature and walking trails circle the town. Boat rentals, harbor tours, fishing, golf and several wildlife facilities are in the area. Plan on staying a few days and enjoy the area.
